What is the Celebration of the Arts?

The LRA Celebration of the Arts is an event where student writing and art work, along with projects by local writers and artists will be shared with the community.

The Lambs Road Student Poetry Contest is a contest for students in grades 1-6. Students submit poetry, which is judged by volunteers from the local community who are knowledgeable in the field of Language Arts. Winners are announced at our *Celebration of the Arts*, where student poetry will be read. In addition, each classroom will perform an interpretation of a favorite poem. Refreshments will be served. Afterward, artwork by LRA students and community artists will be sold at a fundraising auction. Celebration of the Arts is held simultaneously with our "Get Ready for Summer Reading" Buy One-Get One Free Scholastic Book Fair.

Who is invited?

- Staff and students of Lambs Road Academy
- Parents, grandparents and family members of LRA students
- Lambs Road Academy alumni and friends
- General public via newspaper advertising
- Community artists and writers
